

13th International Symposium on Friction Stir Welding and 3rd International Joint Symposium on Joining and Welding

Author Instructions

Please be reminded that the draft written paper must be with us no later than 19 April 2024, so that it can be circulated to all delegates in advance of the symposium.

The final version, if you wish to make changes, will be required by 31 August 2024.

Please note the paper will be free-to-access from May 2025 through [TWI's Digital Library](#).

We wish to apply the minimum of restrictions to the layout of papers; therefore we ask only that the following instructions are followed:

- A4 page size (210mm x 297mm)
- 25mm margins
- Ariel 11pt - single column
- Up to 20 pages (including figures, tables and references)
- Illustrations may be in black and white or colour
