

Polymers and Composites Technical Group Webinar
Polymers and Composites in Oil and Gas and Energy Transition Applications

30 March 2023

Zoom

9:30	Introduction and Welcome	Dr Chris Worrall Consultant – Polymer Composite Technologies TWI Ltd
9:40	Scale And Diversity Of Composite Pipes	Phil Berry General Manager - Market Development Future Pipe Industries (FPI)
10:10	Q&A	
10:20	Success and barriers to polymers and composites in O&G applications	Dr Abderrazak Traïdia Science Specialist and R&D Programme Lead Saudi Aramco
10:50	Q&A	
11:00	Polymers and Composites in the Hydrogen Economy	Dr Ramin Moslemian Principal Consultant DNV
11:30	Q&A	
11:40	The Harsh Environments That Polymers And Composites Can Endure	Dr Bernadette Craster Technology Fellow TWI Ltd
12:10	Q&A	
12:20	Q&A and Close	Dr Chris Worrall Consultant – Polymer Composite Technologies TWI Ltd
