

## FULLY-FUNDED TECHNICAL AND BUSINESS SUPPORT WITH TWI AND INNOVATE UK EDGE

Businesses with fewer than 500 employees are now eligible to access a grant of up to £15,000 to cover the cost of both technical and business support services.

The support, which is paid for through the Innovate UK EDGE programme, offers a grant of up to £15,000 to be spent in funding work undertaken with TWI – and we can even help you in your grant application.
