NDT Workshop

Focused on real-world industry challenges, the NDT Workshop showcases how inspection technologies are evolving to meet the demands of complex materials, harsh service environments, and emerging manufacturing routes. Expert-led presentations and a dedicated panel discussion will highlight how advanced NDT applications underpin safety, enhance performance, and build confidence in the integrity of welded joints and critical assets.

NDT demonstrations will be running in the Engineering Hall.

The Panel

- Capucine Carpenter – Rolls-Royce SMR
- James Watson – Lavender International
- Michelle Forster – TWI
- Miles Weston – TWI
- Channa Nageswaran – TWI

Spaces are limited so please book early to avoid disappointment.
