...making excellence a habit.™

Certificate No: OHS 826262

Registered Scope:

Provision of research and development, consultancy, design, technical information, intellectual property, and training and examination services related to the welding, joining, coating, surface engineering, processing, and inspection of engineering materials and structures, including their subsequent performance and integrity. Associated activities include analysis, testing, machining, supporting engineering activities, inspection, and support and maintenance of products related to welding. The site also provides industrial and professional membership services and the collaborative delivery of joint academic and industrial PhD programmes.

Provision of a certification service for welding related personnel, products and process at the Grant Park location.

Full validation of this certificate should be made via SSIP Portal www.ssiportal.org.uk
